

WHY FREIGHT SOLUTIONS' COO RECOMMENDS TOP TALENT FOR MERGERS & ACQUISITIONS

FREIGHT SOLUTIONS WANTED TO GROW

Established in 2011 as a logistics company specializing in Full Truckload services, Freight Solutions transports freight through the 48 contiguous states, Canada, and Mexico. With long-term customers on their side, the company's leadership wanted to grow and expand capabilities, so they set out to find a company they could acquire.

GAME CHANGING THOUGHT

When Top Talent's Mike Monson became involved, he asked Freight Solutions' COO, Kevin Rufo, if they had considered selling instead of buying to achieve their goals. Rufo said, "**That was a game changer. It changed our outlook on our growth plan, and we changed gears.**" Rufo continues to work with and recommend Top Talent and insists others "would have better results if they used Top Talent for their mergers and acquisitions."
